CENTRAL SECURITIES DEPOSITORY

Pursuant to Article 40 of the Law on Securities ("Official Gazette of the Republic of Macedonia" Nos. 95/05, 25/07, 7/08, 57/10, 135/11, 13/13, 188/13, 43/14, 15/15, 154/15, 192/15, 23/16, 83/18 and 83/18 and "Official Gazette of the Republic of North Macedonia" Nos. 31/20 and 288/21) and Article 18, paragraph 1, item 18 of the Statute of Central Securities Depository AD Skopje No. 01-4365/1 dated 17 July 2018, the Board of Directors of Central Securities Depository AD Skopje hereby establishes the Tariff for the services provided by Central Securities Depository AD Skopje to participants in the operations of the Depository and users of its services No. 01-1424/1 dated 4 April 2022, the Decision of the Securities Commission of the Republic of Macedonia No. UP1 08-47 dated 13 April 2022, the Decision amending and supplementing the Tariff for the services provided by Central Securities Depository AD Skopje to participants in the operations of the Depository and users of its services No. 02-2055/1 dated 5 June 2026, and the Decision of the Securities Commission of the Republic of North Macedonia No. UP1 08-111 dated 12 June 2026, hereby establishes the following:

TARIFF
FOR THE SERVICES PROVIDED BY CENTRAL SECURITIES DEPOSITORY AD SKOPJE TO PARTICIPANTS IN THE OPERATIONS OF THE DEPOSITORY AND USERS OF ITS SERVICES

General Provisions

1. Central Securities Depository AD Skopje (hereinafter referred to as "CSD AD Skopje") shall charge fees for individual types of services provided in the course of its operations, in accordance with this Tariff.

2. CSD AD Skopje shall issue invoices for the services provided within 5 working days from the date on which the service is provided. For CSD AD Skopje Members, invoices shall be issued and charged on a monthly basis and delivered within the first ten days of the month for services provided during the preceding month. For issuers whose securities are recorded in the CSD AD Skopje system, invoices for annual fees shall be issued once a year.

3. The payment deadline for invoices shall be 8 days from the date of delivery, except for annual fees for maintaining records of securities, for which the payment deadline shall be 30 days from the date of delivery.

4. Value Added Tax (VAT) is not included in the fees for the services. VAT shall not be charged on services that are not subject to taxation under the Law on Value Added Tax.

5. By way of exception to the fees established by this Tariff, CSD AD Skopje may, based on a Decision of the Board of Directors and/or agreements concluded with users of its services, provide for different fees where this is justified by the fact that their activities or status are of importance for supporting the development of the capital market, the efficient functioning or improvement of market infrastructure, the public interest, or other circumstances deemed justified by the Board of Directors.

6. The Board of Directors of CSD AD Skopje may, by Decision, establish a list of issuers to which the annual fee for maintaining records of shares shall be invoiced at a discounted rate.

7. For certain services provided by CSD AD Skopje, where this Tariff specifies that the fee for the service is increased by expenses, such expenses shall mean actual costs that are not included in

the fee for the service provided by CSD AD Skopje (such as payment transaction costs, postage and other costs).

8. For issuers with passive status and issuers to which CSD AD Skopje grants a discount pursuant to item 6 of the General Provisions, the tariff numbers under Chapters 1.2, 1.3 and 4 shall be charged at the applicable fee increased threefold.

9. Notwithstanding item 3 of the General Provisions, users of the CSD AD Skopje data distribution system shall pay the fee for the use of the services of the distribution system established by this Tariff prior to the provision of such services.

10. The services provided through the distribution system shall not be available to issuers with passive status or to issuers to which CSD AD Skopje grants a discount pursuant to item 6 of the General Provisions.

11. Services provided through the distribution system that are signed with an electronic signature shall contain a time stamp.

12. The fees set out below in this Tariff that are specified as being charged per ISIN number shall apply to activities related to transfers of securities, corporate actions or reports concerning securities that relate exclusively to specific securities recorded under a single ISIN number.

Fees

1. Services for the issuers				
1.1 Registration activities				
	Service	Unit	Frequency	Fee (MKD)
Tariff number	Description / Clarification			
1.1.1	Fee for initial access to the CSD AD Skopje system for securities issuer	Per issuer	One-off payment	16,000 MKD
	This service includes the acceptance and processing of data in dematerialized form, including the recording of data on issuers, securities issues and securities holders.			
1.1.2	Annual fee for maintaining records of securities	Per issuer	annually	0,01% of the nominal value of the securities issued by the issuer, minimum fee 24.000 MKD,maximum fee 160,000 MKD
	The fee is calculated on the basis of the nominal value of the securities issued by the issuer as at the last day of the previous calendar year. For the newly registered companies the fee is being calculated as at the date on which the request is submitted. If the nominal value of the securities issued is denominated in a currency other than MKD, the mid-market exchange rate of the respective currency, as published by the National Bank of the Republic of North Macedonia (NBRNM) as at 31 December of the previous year, shall be used as the basis for calculating the nominal value of the share capital.This Tariff number does not apply to the issuers covered by the provisions of the Tariff numbers which relate to the entities whose status is passive.			
1.1.3	Annual fee for maintenance of securities accounts	Per account	Annually	42 MKD,maximum fee 66,000 MKD
	The fee is calculated on the basis of the number of securities accounts with a balance as of 31 December of the previous calendar year.			
1.1.4	Fee for registration of a new issuance of securities in the CSD's system	Per issue	Upon request	New issue of securities up to 25,000 EUR, IPOs, municipal bonds and state bonds – 32,000 MKD. Private placement of shares or issuance of shares as a result of status changes and private placement of corporate bonds – 0.05% of the nominal value of the issue, minimal fee 32,000 MKD, maximum fee 100,000 MKD.

	Annual fee for record-keeping of long-term government debt securities traded on the market	Per ISIN	Annually	0.008% of the market capitalization,minimal fee 16,000 MKD, maximum fee 78,000 MKD
1.1.5	The fee is calculated based on the average market capitalization of the securities issued under the respective ISIN during the last 92 calendar days of the previous calendar year. It is calculated as the average of the prices realized on the market during the period from 1 October to 31 December of the previous year, multiplied by the amount of all long-term government debt securities issued under that ISIN. If these securities have not been traded on the securities market during the last 92 calendar days, the fee for the record-keeping of securities in dematerialized form shall be calculated pursuant to Tariff No. 1.1.6.			
	Annual fee for record-keeping of long-term government debt securities not traded on the market	Per ISIN	Annually	0.006% of the nominal value of the issue, minimum fee 12,000 MKD, maximum fee 32,000 MKD
1.1.6	The fee is calculated based on the nominal value of all long-term government debt securities issued under that ISIN.			
	Annual fee for maintaining securities accounts of holders of long-term debt securities	Per account registered under the ISIN	Annually	20 MKD per account, maximum fee 32,000 MKD
1.1.7	The fee is calculated based on the number of accounts per ISIN with a balance as of 31 December of the previous year.			
	Fee for registration of securities issued through an initial public offering (IPO)	Per issue	Upon request	Free of charge
1.1.8	The fee under Tariff No. 1.1.4 relating to the registration of securities issued through an initial public offering (IPO) is free of charge.			
	Annual fee for record-keeping of securities of an issuer whose status is passive	Per issuer	Annually	1,500 MKD
1.1.9	The provisions of the Operating Rules shall apply for the purpose of determining the issuers whose status is passive. These issuers shall not be charged the fees under Tariff Nos. 1.1.2 and 1.1.3.			
1.1.10	Fee for the change of an issuer's status from passive to active	Per issuer	One-off payment upon fulfillment of the conditions	25,000 MKD

1.2. Corporate actions

Tariff number	Service / Description / Clarification	Unit	Frequency	Fee (MKD)
1.2.1.	Corporate actions relating to joint-stock companies performed through securities holders' accounts	Per account Fixed amount (cumulative)	Upon request	120 MKD 9,000 MKD
	This service includes: reduction of the share capital of a company through the withdrawal/cancellation of shares; cancellation of shares without a reduction in share capital; merger, merger by acquisition or division of companies; merger or division of shares; fee for distribution of dividends in shares, as well as other corporate actions performed by account.			
1.2.2	Corporate actions performed per ISIN	Per ISIN	Upon request	9,000 MKD
	This service includes: reduction of the share capital of a company by reducing the nominal value per share and redenomination of the currency of the securities.			
1.2.3	Conversion of shares	Per account Fixed amount (cumulative)	Upon request	45 MKD 4,000 MKD
1.2.4	Fee for calculating distributions	Per account Fixed amount (cumulative)	Upon request	60 MKD For government debt securities: 45 MKD Up to 500 accounts 7,500 MKD Over 500 accounts 15,000 MKD For government debt securities: 2,000 MKD
	This service includes: calculation of cash dividends and calculation of the principal amount and/or interest on government bonds.			
1.2.5	Fee for payments	Per account By e-PPD Form	Upon request	0.02% of the dividend payment amount, with a minimum fee of 20,000 MKD and maximum fee of 200,000 MKD 60 MKD + costs 9,000 MKD
	This service includes: payment of cash dividends and payment of the principal amount and/or interest on bonds relating to issuers that are trading companies. For issuers whose payments of returns are made through the Depository, the fee under Tariff No. 1.2.4 shall not be charged.			

	Fee relating to the takeover procedure of a joint-stock company	Per acquirer	Upon request	0.1% of the deposited amount or bank guarantee for payment of the securities, with a minimum fee of 50,000 MKD + costs
1.2.6	This fee is charged to the acquirer.			
	Fee for conducting activities in the takeover procedure of a joint-stock company	Per account	Upon request	300 MKD + costs
1.2.7	This fee is charged to the acquirer or to the shareholder, depending on the conditions stipulated in the Prospectus. The fee shall not be charged if the takeover has not been completed.			
1.2.8	Fee for conducting a procedure for the forced sale/forced purchase of securities pursuant to the Law on Takeover of Joint Stock Companies (the acquirer is charged for the service)	Per acquirer Per account	Upon request	0.75% of the available amount subject to forced sale/forced purchase, with a minimum fee of 50,000 MKD, as well as 300 MKD per account
1.2.9	Fee for providing information to shareholders relating to corporate actions and submission of notices of shareholders' meetings	Per account	Upon request	30 MKD + additional costs
1.2.10	Fee for removal of an issuer from the register of CSD AD Skopje due to a change in status or transformation of the joint-stock company into another legal form, cancellation of shares, closure of the shareholders' register and registration in the historical database	Per issuer	Upon request	20,000 MKD

1.3. Reporting services for issuers				
Tariff number	Service	Unit	Frequency	Fee (MKD)
	Description / Clarification			
1.3.1	Issuance of a shareholders' register on a magnetic medium (CD) containing up to 1,000 accounts	Per shareholder register	Upon request	1,100 MKD

1.3.2	Issuance of a shareholders' register in hard copy containing up to 1,000 accounts	Per shareholder register	Upon request	3,850 MKD
1.3.3.	Issuance of a shareholders' register on a magnetic medium (CD) containing more than 1,000 accounts	Per shareholder register	Upon request	2,200 MKD
1.3.4	Issuance of a shareholders' register in hard copy containing more than 1,000 accounts	Per shareholder register	Upon request	6,600 MKD
1.3.5	Fee for issuing a certificate of voting rights	Per ISIN	Upon request	9,000 MKD
	The report contains data on the number of shares, the number of voting rights and the percentage of the total number of shares issued, per ISIN, held by the shareholders, structured according to the number of shares carrying voting rights that are not subject to voting restrictions and are not the Issuer's own shares. The report also contains data on the number of shares held by shareholders that carry restricted voting rights and the number of the Issuer's own shares. The information on the status of voting rights contained in this report is based on the records of CSD AD Skopje registered in the securities accounts of the holders (excluding securities recorded in omnibus securities accounts where the report contains information on the holder of the omnibus account and the Issuer's own shares) and is for informational purposes only. Voting rights are exercised in accordance with the provisions of the Law on Trade Companies.			
1.3.6	Fee for generating a non-standard report	Per issuer	Upon request	4,000 MKD
	The report contains data on the balances recorded in the issuer's shareholders' register, in accordance with the issuer's request.			
1.3.7	Fee for generating a standard report on transactions per ISIN for a specified period	Per ISIN	Upon request	1,500 MKD for the first month + 1,000 MKD for each additional month
	This report contains data on transactions (trading and non-trading transactions) relating to securities issued under a specified ISIN for a period specified by the issuer.			
1.3.8	Issuance of a shareholders' register as of a specified date (a date prior to submission of the request to the CSD)	Per shareholders' register	Upon request	The fee prescribed under the preceding Tariff numbers for issuance of a shareholders' register, plus 3,300 MKD
	The fees referred to in this Chapter, except for Tariff No. 1.3.5, also apply to the books of holders of other securities.			

2. Services for the members of CSD AD Skopje				
	Service	Unit	Frequency	Fee (MKD)
Tariff number	Description / Clarification			
	Fee for admission of a stockbroker to CSD AD Skopje	Per member	One-off payment	330,000 MKD
2.1	A stockbroker shall be considered a member that is a brokerage house, bank or subsidiary of a foreign brokerage house, pursuant to the Membership Rules of CSD AD Skopje.
